## Welcome Back!

LBES Parent Teacher Association (PTA) is a volunteer-led partnership, intended to promote engagement within our school and champion educational success for all students. We plan several events and programs throughout the school year to enrich classroom learning and create opportunity for exchanging ideas between the community and school.

Dues are \$25 per family, which helps cover the cost of many of the activities we plan for the year and also includes resources for teachers.

All of our events and programs are made possible because of the time that our volunteers put into making each one a success. Please consider joining a committee to help with upcoming events and programs. We are on the hunt for a Fall Festival Chair!
